

End Slavery, Bring Freedom & Restore Dignity to Human Trafficking Survivors

Dear Local Business,

The annual Dash 4 Dignity 5K/1K run/walk promotes awareness of domestic human trafficking in and around Anne Arundel County and South Baltimore, MD and raises funds to support freedom for exploited individuals. The Dash community awareness event includes local, state, and national organizations providing participants with information about how to recognize and report the signs of exploitation, ways to keep people safe - especially our children and youth, and opportunities to get involved. Funds raised will benefit City of Refuge Baltimore (EIN: 82-4416947) and Drink at The Well (EIN: 90-0975599) for their outreach to vulnerable individuals in and around Anne Arundel County/South Baltimore, MD. We would love to have you join our virtual Dash sponsorship team for 2021!
